

THREE CONFESS AXE MURDER

15,000 Negro Voters Hold Election Secrets

COLORED VOTERS HOLD SECRET IN PARTY BATTLES

Big Block of Doubtful Voters Registered in Pre-election Poll

RECOGNITION SOUGHT

How will the Negro vote? For the first time since slavery days, this has become a burning question in the camps of political parties engaged in a terrific struggle to capture the reins of government control of local affairs.

Heretofore, in the absence of purely racial issues, it required no high degree of political astuteness to predetermine the result of the colored voters' participation in an election. It was generally one-sided. But today in several counties in the state and in Marion county in particular, the answer to the question that has assumed tremendous importance in local and state politics is a secret held securely by a large block of colored voters termed, "doubtful."

Results of thirty-day polls being rushed to completion by opposing factions show clearly that between the extremes of reactionary, rock-ribbed republicans on the right and standpat, died in the wool democrats on the left, there is an unprecedented number of independent colored voters who are taking the middle ground to individual and racial progress. It is this group, estimated at 15,000, that holds the most important yet the most precarious of all positions in the political line-up, the balance of power.

Indications are clear that the largest Negro vote in history will be cast November 6. Hundreds of meetings, both democratic and republicans have attracted capacity crowds. Scores of clubs have participated, on one side or the other, in the campaign activities. Average citizens, as never before, have listened to discussions of the many intricate problems whose satisfactory solution are expected to speed progress to recovery.

The one measuring rod being applied by the masses of Negro voters who obviously have not yet made up their minds on the question of party affiliation is "What will it mean to us?" Most important in the minds of many are answers to the historical question, free text books for school children, a justly proportionate share of political patronage, reduction of taxes, and achievement of a higher standard of living safely removed from the borderline of poverty, destitution and a continuous struggle to "keep the wolf from the door."

Most significant of recent developments is the determination of colored voters to insist on specific, not general promises of political parties. For the first time since the love was suggested by The Recorder some time ago, popular sentiment has crystallized in favor of a move to wage an aggressive fight for Negro rights. Under the leadership of the One and Five club, citizens of all stripes and regardless of party affiliations are being invited to attend a mammoth mass meeting at the Walker casino, Sunday, afternoon. According to an announcement of the plans, candidates of both major parties are to be asked to state their position certain questions considered vital to Negro welfare.

How the Negro will vote is not a question to be left entirely to the determination of the group concerned. The Recorder has discovered. Appeals to race prejudice and attempts to create violent reactions through use of vicious propaganda directed to the superstitious and supposedly ignorant will flood the colored districts just before election day, investigators have discovered. The attacks usually come in the form of anonymous letters, handbills and other literature depicting various scarecrows intended to stampede colored voters in a desired direction. It is generally considered doubtful by colored leaders if any such underhand methods will be sufficient to frighten the Negro such a state of political hypnotism that he will forego his fight for his place in the sun.

Goody Chop Suey Iirks Mills Boys' Dad, Fine Paid

PHILADELPHIA, Oct. 25.—Two of the four Mills brothers, famous Negro syncopators, paid \$15 in behalf of their father and a friend of his to create harmony where there had been discord. John Mills, 52, the father, and Jean Rigbins were accused by police of insulting Wov Kow because his chop suey was heard to come over from New York in their flashy blue sedan, heard the case and then paid off—\$7.50 each on fines for disorderly conduct.

'BAMA SCHOOL KIDS STAMPEDE

(Special to The Recorder)

BIRMINGHAM, Ala., Oct. 25.—Frightened by reports that Communists were about to bomb the building, students of the Council school Enslay avenue, Monday morning stampeded and fled from the classrooms into the street. W. R. Wood, the principal, said about half of the 1,700 pupils of the school joined in the stampede. The report that the building was to be blown up followed the release of a flood of Communists and the International Labor Defense in the colored districts, Wood said. "The pamphlets have attacked me as a participant in the alleged police terrorism," Wood said, "and have also reflected on my personal character. They called on their parents to keep their children out of the school." Since Monday school officials have been persuading parents to return their children to the school.

An inspection showed no explosives, it was said. No one was hurt in the break of the children from the building, Wood said. The immediate occasion of the stampede was the visit of several parents to the school with the demand that their children be allowed to leave, he stated.

DEMO. NOMINEE IS HOOSIER SON

SHERMAN MINTON

a true-blue son of Hoosierland and a fighter for equal human rights who is a Democratic candidate for the United States Senate.

Sherman (Shay) Minton was born in a humble cottage at Georgetown, in the hills of Floyd county, a few miles north of New Albany. He celebrated his 44th birthday October 20. His father and mother were native-born Hoosiers and their parents came from old English stock out of the east.

After working his way through Indiana University he was awarded a scholarship to Yale where he completed his law studies and won high honors as a student and as an orator. He wrote an article about the Constitution which William Howard Taft, the former President and Chief Justice of the United States Supreme court said was the one perfect paper he ever had received from a student. While at Yale, Mr. Minton helped organize the Yale Aid Society for the Poor, and one of his first cases was in defense of a colored man.

SHERIFF FOILS FLORIDA MOB AFTER WOMEN

CHIPLEY, Fla., Oct. 25.—Hundreds of men swarmed the streets here all Sunday night threatening to destroy two women prisoners held in connection with the slaying of Lola Cannidy, 20-year-old Greenwood white girl. They were removed from the county jail to Fort Barrancas, at Pensacola.

Mrs. Cannidy's body was found Thursday night half-submerged in a pond. Her head had been beaten in with a blunt instrument.

The two women, Sallie and Annie Smith, aunt and mother of Claude Neal, were arrested near Marianna after officers said they had found a blood-stained hammer and clothing in their home. After approximately 30 cars of aroused whites bore down on the jail Friday seeking Neal, he was taken to Pensacola for protection.

Plucky Sheriff Protests
Sheriff John Harrell stood by ready to protect the two women who were left in the jail, with tear gas bombs obtained from a nearby convict camp. He remained on duty all night while crowds of angry whites begged him to give up the women prisoners and finally threatened to dynamite the jail if he did not do so.

When told that by members of the mob about daybreak that they believe that the women were locked in the courthouse vault and that they would return later and cut through the metal Sheriff told them, "Come ahead, I'm ready for you."

Fearing that his supply of tear bombs would not be sufficient to repulse the crowd if it returned, Sheriff Harrell decided to send the women secretly to Fort Barrancas.

Appeal to Race Hate to Fight Negro Labor

CHARLESTON, S. C., Oct. 25.—(ANP)—"To open an avenue of escape for white families from competition with Negro labor," stated the News Courier of this city recently in denouncing the aid given the recent textile strike by Socialists such as Norman Thomas, "and the Negro standard of living was a commanding if not formulated motive in the building of the Southern mills. Be it righteous or not, white southerners will not accept socialism or any other 'ism' that includes the 'crossing of racial lines.' They cannot imagine a 'decent world' in which racial separation shall be abandoned."

ORDER FIRING OF NEGRO WORKERS

WASHINGTON, Oct. 25.—(ANP) A complete discharge of the recently hired colored employees of the Chicago Defender was ordered here this week by the national labor board. The board held that the discharging of the union men in June had been discriminatory and that the company had failed to participate in collective bargaining with representatives of the unions in a bona fide manner, thereby violating Section 7-A of the National Industrial Recovery Act.

On June 16 approximately 40 full and part-time union employees were dismissed. Only three of these were colored. The move was necessary because of the high cost of the union workers and criticism from the paper's readers on account of the number of white workers employed, the company contended.

However, the labor board found that the real motive of the company was to save money.

Must Pay Back Wages
As a penalty, the board directed the company to restate the discharged employees within ten days, to pay them the wages which they lost, and to negotiate with the unions in an endeavor to bring about acceptable modifications of its agreement with the union.

The power of the labor board to enforce the penalty is open to question. Even though The Defender may resist the order to re-employ the union men, the probability exists that these men will go to court in an effort to collect the wages which have accrued to them during a period of more than four months.

LEIBOWITZ GETS NINE BOYS' O.K.

(From the New York Times)

MONTGOMERY, Ala., Oct. 25.—Samuel Leibowitz, New York attorney, Saturday, held releases from all nine defendants in the nearly four-year-old Scottsboro case naming him as their counsel in further trials and appeals in higher courts.

Haywood Patterson and Clarence Norris, two of the nine boys under sentence again signed releases naming Mr. Leibowitz as their attorney earlier in the week designating the International Labor Defense.

They were convicted in the Morgan Court at Decatur last December of attacking Mrs. Victoria Price, white, aboard a Southern railway train on March 25, 1931. The Alabama Supreme Court has confirmed the sentences and the next move in their behalf is in the United States Court.

In addition to signing the releases the nine boys write to Governor B. M. Miller asking that he "see that we have no more visitors from the Communist lawyers."

Their frequent change of counsel was because "the Communists have been sending their agents here and have bewildered our minds."

3 Murder Confessions Climax Efforts of Police KILLED FOR JOB

Early this week police sleuths solved the mysterious axe killing of 26-year-old James Morris, 1534 Bundy place. The wringing of confessions from three men climaxed frenzied efforts to capture the most brutal slayers of the year.

The men who confessed to police Monday are Charles Flowers, 20, 915 East Fourteenth street; Ben Finch, 33, 1536 Bundy place, Herman Wall, 22, 915 East Fourteenth street.

The desire of one of the slayers for the murdered man's job and to rob him loomed in confessions as the motives for the killing of Morris.

Confess Together
All three of the men confessed in the presence of the other. Police say that this is very unusual as most accused men fail to break down in grilling in the presence of their buddies.

According to the confessions, Ben Finch went to Morris and said, "I have got a proposition for you fellows to make some money if you want to go in it." After explaining how money could be made from selling the whiskey which was supposed to be hidden in the basement. Police have not been able to find the whiskey. The belief is held that the men used the jug of whiskey as a bait for Morris.

Wall states that after an argument over the moving of the trash and tree limbs, that Finch immediately began to talk menacingly to Morris concerning some money Morris owed Finch for getting him a job at the Eastgate Coffee shop on East Washington street.

Argue Over Money
Morris told Finch that he had been giving all the money he had to his mother but that he would take care of Finch's demands on his next pay. Not satisfied said, "I am going to have my money or kill someone. If you move I will blow your brains out."

As Finch said this Wall stepped behind Morris, hit him on the head with the axe. Morris dropped. Finch seized the axe and struck Morris twice. After these two were through with their helpless victim Flowers struck him once in the head as he lay sprawled on the basement floor.

Aiding in the murdering of Morris on Saturday Flowers appeared at the Eastgate coffee shop Monday and told the proprietor that Morris would not be able to come to work again and expressed his inability to take the job. He was not hired.

Mrs. Josephine Hughes, 922 East Fifteenth street, Mrs. Ruth Lord, 1510 Bundy place, Mrs. Katie Taylor, 1512 Bundy place, told The Recorder that when they were questioned by police after the finding of Morris that they were not held suspects.

IN THE SHADOW OF THE STARS

By Abbe Wallace

L.H.—Will I be recommended to the college of my choice?

Ans.: Unless a few changes take place in your life right away you won't. First of all you must get down to hard work. You will also have to pass in your back subjects and keep ahead in what subjects you are taking this year before you can expect this honor. You can do it but you have got to try.

C.L.K.—Does my father love me and will I get well?

Ans.: Your father loves you dearly and he wants you to fall in love but not with the wrong one. He will prove his love for you by buying you a complete outfit. Your condition is not serious but you should have immediate attention.

L.C.J.—How will my daughter come out?

Ans.: Fine—and so will the little fellow. This youngster will arrive in the near future and will make you quite a bit happier than it will your daughter. Since your daughters so young you will have to take this child over and help raise it yourself.

B.M.—If my husband does leave will it be for the better?

Ans.: He will be the loser not you. Since your husband is so carried away with this other party and stays out with her all the time it is best that he give one of you up. You will have trouble getting a job so still wait any sleep over this matter. Let him take the first steps.

R.B.N.—What is this feeling I have towards this certain man and would it be best that I marry him?

Ans.: The feeling you are experiencing is nothing but love. He also returns your feeling and you two should be very happy together. Arrange your wedding date for the month of December for he will receive more money in that month.

D.F.—Is this trip that I am planning to take the best thing for me to do and should I depend on it?

Ans.: Of course you can depend on this trip for the job that you are going on will not be like a new position and your present boss will still give you your orders. You should consider this new step a transfer and not a new job.

D.L.M.—Does my boy friend mean what he says?

Ans.: Yes, he means exactly what he says and I advise you to leave the city for a few weeks until after his wedding ceremony with the other girl for there will

be quite a bit of talk and publicity about it and it will make you feel none the better. He is making a mistake marrying someone he does not love.

D.F.—How should the situation be handled about this house?

Ans.: Very delicately if you make the other party the least bit sore he will throw cold water on your proposition. If you desire further information of a personal nature you may send a quarter for a private reply and my new Astrology Reading.

W.R.F.—When will my husband's trial come up and what will be the results?

Ans.: The trial will come up within the next month and I do not believe that there is any use you worrying for it seems to me that your husband will not have anything to worry about. He will prove his innocence and that is all that is necessary.

G.H.—All I want is peace and happiness and I can't seem to have any around here. What must I do?

Ans.: Why don't you ask your daughter to let you stay at a hotel instead of living with her in her home? After all it will be just as cheap and you will not have to put up with their making noise at night and their kind of entertainment. Your daughter and son-in-law do not have a rough crowd for friends but they do enjoy a good time.

Donald R. Mote Seeks Judgeship

MARION.—Prominent among those who are seeking the favorable votes of the people of Marion is popular Donald R. Mote, Republican candidate for judge of Marion Superior Court.

In the primary his status in his party was shown by the fact that he had no opposition. Born on a farm in Randolph county Mr. Mote has steadily risen in the law profession and general esteem of his fellow townsmen. He is a graduate of the Indiana university law school. Since 1927 he has practiced law in Indianapolis.

Because of his active participation in community charity movements he has gained a wide circle of friends who are rallying to him in his election efforts. In a recent statement he expressed the wish that greater consideration be given to the needs of workers. Having known the hardships of the worker himself Mr. Mote feels keenly the plight of the working class.

In the event he is elected to the judgeship he promises that the working man will be given a just deal at all times.

A statement issued by his supporters says: "Mr. Mote's pledges himself, if elected, to administer the laws fairly, honestly and impartially without fear and in the light of human understanding; to receive courteously all who come into his court and to render unto his fellows a full measure of faithful service."

\$727,217.00 IS GOAL OF DRIVE

Goal of the fifteenth annual Indianapolis Community Fund campaign has been set at \$727,217.00. This figure, which is an increase of approximately \$22,000 over the amount raised last year, represents the absolute minimum necessary for the needs of the community for the next year.

Budgets Reduced
In announcing the goal, Arthur V. Brown, general campaign chairman, points out that: "A number of the thirty-six fund agencies have been drastically skeletonized and reduced in budgets and activities during the past three years and it is increasingly imperative that these services be brought toward a normal level."
"There are many human needs that must be met," Mr. Brown says. "Care of families, homeless men, care of the sick and the prevention of spread of disease are but a part of the work of the Community Fund agencies."

WITH BACK TO WALL DEPRIEST STAGES FIGHT

CHICAGO, Oct. 25.—Two native Alabamians are staging one of the hottest political campaigns in the United States on Chicago's near south side for the 1st district Illinois seat in the national congress. Congressman Oscar DePriest, old-time Republican leader of the colored wards, elected to congress first in 1928, and reelected in 1930 and 1932, is having the fight of his political life, a fight of which he had not the slightest expectation at the time of the April primaries. Always, heretofore, Congressman DePriest has been opposed in his district by a white democrat. That has resulted, even in the 1932 landslide year, to what is commonly known as a "pushover" for DePriest, for the district is overwhelmingly colored.

Sentiment Is Changed
But things have been happening to the political sentiments of Chicago's colored folk. Traditionally Republican since emancipation days, they and their fathers have voted the straight republican ticket. They have leaders today who are telling them they will do better for themselves by splitting tickets.

In the April primary DePriest was renominated by Republicans over Chandler Owen by 18,054 votes. DePriest had defeated Baker in 1932 by 6,713 plurality, and was expected to defeat him again next month. The total Democratic primary vote was 16,150 to 19,088 total Republican.

But the unexpected thing happened. Mr. Baker died. Arthur W. Mitchell, a colored lawyer and educator, was chosen by Democratic chiefs of the 1st, 2nd, 4th and 11th wards. He ran second in the primary.

Both are good speakers and both love to take pot shots at the opposition. Sends DePriest Challenge Mitchell wrote to DePriest recently, challenging him to a duel of words, to debate the issues. DePriest waited two weeks before replying. At one of Mitchell's meetings night before last, the Democratic candidate told of his challenge. He paused, smiled, and reached into his pocket.

"I have this reply from Mr. DePriest," Mitchell said, and, quoting from the letter, he read: "Dear Mr. Mitchell: I understand that you are a candidate for congress and I believe in my district."
That brought a howl of delight from the crowd.
"Mr. DePriest," Mitchell said sadly, "has just discovered that I am running. I feel sorry for him."

Maxie Miller's LOVE ANSWERS

Maxie Miller: These days much is being said and written about unmarried mothers. Some time ago I read where a woman told how she wanted a baby and did not want a husband. She selected the father for her baby, had sex relations with him, then dismissed him as soon as she knew she was to have a baby, and never had any more to do with him.

Now, I call this a "newdeal" for the woman who wants to be a mother and does not want to be bothered with a pestiferous husband. This thing appeals to me. I am going to show my freedom by doing what this woman did. I do want a baby, and I don't want a husband. What do you say? A Bohemian.

A Bohemian: You have chosen a good name if you mean what your letter says. To do what you are threatening to do will stamp you as superlative in Bohemianism. More, it would stamp you as just one of the "57 varieties" of fools. True, this is an age of moral decadence; true, the people of this age are not interested in things of sex; but it will be a long time yet, before the thing you discuss will receive general approval.

If you want the comfort of motherhood then follow the Divine plan and marry. If you "don't want" to be bothered with a husband" you are not entitled to have a child. Better dismiss your foolish Bohemian notions and follow the way of sanity and safety.—Maxie Miller.

BEAUTY HINTS

HOW DO YOU WALK?

Watch the women as they pass down the street and you will be amazed to see how few walk well. Most of them just go slinking along. Sometimes the fault is due to weak ankles or stiff joints. If it is, then exercise the ankles and then massage them well with olive oil nightly. Also massage the knee and hip joints. Then observe yourself walk in a tall mirror until you attain a good carriage.

Y.W.C.A. NOTES

The Religious Education Committee is sponsoring a Tea on Monday, October 29, from 4:00-6:00 p. m.

The class in Swedish message is open to a few more registrations for beginners. Dr. C. R. Parker is the instructor. The class meets on Monday evenings at 8:00 P. M.

The public affairs committee of which Mrs. Frieda Parker is chairman is prepared to provide speakers to club groups interested in citizenship and general affairs of public interest.

Junior Member activities will start November 3rd, 9:30 a. m. Classes in swimming, Miss Moten instructor, and aesthetic, tap, and interpretative dancing, Miss Louise Terry instructor, will be offered. A mass meeting for the entire Junior membership is scheduled for November 27th.

The program of the Industrial department was announced last Friday night at the opening.

The problems of household employment, legislative issues, Negro history, the art of living together and national current events will constitute the study program. Through factory visits the department fosters better relationships between employer and employee. Its community education will be through fireside discussion groups, church and city club programs.

Most industries in the city were represented at the opening. Miss Dorothy Ginn gave a short history of the industrial department which was followed by sketches of club activities by the five clubs presidents.

Miss Edith Turner is Federation president and Miss Irene Harris, Industrial secretary.

Much interest is being manifested in the Mothers Council which has been recently organized by the Girl Reserve Department. It is composed largely by mothers of girls in the Department, membership, however, is open to all interested mothers and all women interested in the problem of youth in its development will find this group study invaluable.

Officers were elected at the last meeting. Meetings are to be held on the second and fourth Mondays 7:30 p. m. at the Y. W. C. A. It will be the Council's objective to study as a part of its program problems of the all age girl from the standpoint of religious adjustment, home and family relationship, work adjustment and girl and boy relationship.

Plans are in the making for an all Mothers' day in Friday, Friday, November 9th in Jordan Music Hall.

SHOOTING THE WORKS

(By LEE A. JOHNSON)

GRID CLASSIC HERE

Several business men here are interested in promoting a Negro collegiate grid classic between suitable opponents. The question seemingly is, would it be profitable? In my estimation the answer is yes for many reasons.

Indianapolis is ideally located between cities where a large number of persons reside who follow college classics and social life pertaining to such.

Cincinnati, Louisville, Chicago, Dayton, Wilberforce, Richmond, Ft. Wayne, Gary, South Bend, Terre Haute, Evansville yield thousands of supporters annually to football games of this nature.

Then the local city has never had a chance to see Negro collegians in action on the grid and such an attraction will bring out the bulk of the 50,000 residents of this city. It would mean a lot to local business for the short duration of the visitors to such games.

If I were asked to choose a game for this city for drawing, I would select Kentucky State and Wilberforce because of the many ex-Kentucky residents here, and the northern versus southern atmosphere. It will be a good idea for some business men or promoters to inquire into the possibilities for 1935.

DOWN AT TALLADEGA

A letter from "Shu" Robinson states that Indiana is well represented on the campus at Talladega. Shoe made the team, he states along with J. D. Stratton, Sody White, Dunn, and the Ramsoms and Clay.

SIMMONS HERE NOVEMBER 3RD

Indiana grid followers will get a glimpse of the "Galloping" Oze Simmons when the University of Iowa meets Indiana University at Bloomington in the next home game of the "Fighting Hoosiers". The flashy Iowa back has been considerably battered in recent games, but opponents have failed to stop him. They usually boot the ball away from him to keep the famous grid sprinter from making those spectacular long squirming jaunts through their team. It will be "Homecoming" for Indiana. Then the Kappas will entertain afterwards—that is it tradition holds true to form, don't bet on it.

Keep mailing in your dope for Shooting the Works and sports publicity. Follow your favorite team in The Indianapolis Recorder.

Dame Victory Failed To Smile on Many College Teams Ranked Among Leaders

BUTLER WINS FROM STATE

BUTLER BOWL, Indianapolis, Oct. 26.—Butler University continued its winning streak by taking the measure of Indiana State in a big Homecoming game 12-0.

Junius Bibbs, Negro fullback on the state team, was on defense along with Bush, white, backfield mate. Both players often held in check the great offensive threats of the Bulldog backs.

ATLANTA, Ga., Oct. 27.—A blocked punt gained back 25 yards by "Sody" White, Talladega center, was responsible for the upset of Marchmont Tigers here 6-2. The game was a battle from start to finish. The Tigers charged through to tackle "Dega" behind their own goal for a safety. "Dega's" aerial attack gained much yardage while Myers led the Tigers in running attack.

DOWNINGTON, Pa., Oct. 27.—Throwing away numerous scoring chances by fumbling and violating town machine had to be content with a 6-6 stalemate with Sparky Jones' Sigma Theta 11 from Philadelphia. The game, played on the Downies gridiron on Saturday, was the initial fray of the season for the schoolboys, who were making a belated start.

WILMINGTON, Del., Oct. 27.—Delaware State is leading the M. A. A. A. conference with two victories and no defeats. Their latest victim was Bordentown who lost 30-0. The other game in the conference was between Delaware and Delaware State, which was a 12-12 tie.

ference was between Princess Ann and Storer, but no report was received at this writing.

HAMPTON INST., Va., Oct. 27.—Hampton's Pirates crushed the Eagles of North Carolina State 20-0 here in a tremendous come back after being bowled over by Blue field the week before. Hopson led the offensive with flashy running.

ORANBURGH, S. C., Benedict and South Carolina State Bulldogs fought to a 12-12 tie here in a recent grid game that upset all predictions as to the outcome between the two rivals.

NASHVILLE, Tenn., Oct. 27.—(ANP)—Coach Wallace Hawkins' aggregation from Knoxville overcame the jinx which has kept them from winning over Fisk's bulldogs by finally tallying in the fourth quarter to take a game which was all Knoxville's from the opening whistle. Carey led the offensive threat that resulted in a 7-0 triumph for K. C.

RICHMOND, Va.—The Maroon and Steel warriors of Union won their first road game from St. Augustine 45-0 convincing fans they have a spark of winning stride yet to be seen. Pool, Parker, and Coleman starred for the winners.

BALTIMORE, Md., Oct. 27.—Moran Bears steam rolled Lincoln Lions here 19-0 before thousands of enthusiastic rooters. Brown, Crawford, and Capt. Troupe scored touchdowns for the winners.

BERRY, FORMER TRACKMAN

How many people around Indianapolis know James Berry? He is a local pharmacist and is located at 12th and Senate Ave. Yes he is an ex-athlete. While a student at Howard University in 1910-11, he was active in track and boxing. Later Mr. Berry came here to Purdue University where he made the track team. His specialty was 100 yd. dash (best time 9 4-5 seconds) 5 mile cross country (best time 26:22). He beat Ted Cable in a dual race at the Fairgrounds back in 1912.

He recalled in an interview when he was reaching his best form, he pulled a muscle in a meet with Northwestern and after that was inactive in track.

Mr. Berry finished Purdue in Engineering and Pharmacy, has practiced here since 1917. Still likes to follow sports.

PANTHERS WIN AGAIN

ARMORY FIELD, GARY, Ind., Oct. 27.—Coach Lane's Roosevelt Panthers registered their second straight victory this season when they upset the strong Wendell Phillips aggregation here 8-0 before a packed stadium.

Buster Dixon saved the game for the Panthers by sharing a Phillips pass and scoring a touchdown after a sixty-eight yard jaunt down the field. Smith and Harding nailed Taylor behind the Phillips goal for a safety after a bad pass was made.

Maggotts Win From Monarchs

The greatest football battle in Negro competition of this city was played Sunday when Danber Mitchell's Maggotts defeated Warner Jewell's Monarchs at N. Western Park 6-0. The lone tally came in the fourth quarter when J. Brown scored on a ten yard dash off tackle. Mike Vango was the star for the losers making long gains all through the game. This was the first game of a three game series for the city championship of which an all city team will be picked to play an all city team of Louisville, Ky. Other outstanding players of the game were D. Daniels, J. Martin, Webb, J. Vincent and M. Brown of the Maggotts and Watkins, Gates P. Anderson, Carter and Harrison of the Monarchs.

LINEUP.
Maggotts (6): Nelson, L.E.; Gates, P. Brown, L.T.; V. Vaughn, Vincent, L.G.; Hill, King, C.; Hurt, Wilkes, R.G.; Watkins, Logan, R.T.; P. Anderson, Martin, R.E.; Carter, J. Brown, Q.B.; Dixon, J. Daniels, R.H.; Harrison, M. Brown, L.H.B.; M. Vaughn, Webb, F.B.; J. Anderson.
Touchdowns—J. Brown; Substitutions, (Maggotts), F. Daniels, Cole, (Monarchs), Powell, Referee, Page, Attucks; Johnson, Ind. Central, Lincoln and Raymond, Umpire.

These two teams met Sunday at Northwestern Park at three o'clock. Over five hundred people witnessed the first contest.

LINCOLN WINS THIRD STRAIGHT GRID GAME OF SEASON WHEN THE FAST WESTERN HIGH TAKES IT

Evansville Boys Goal Uncrossed to Date; Beat Sumner 12-0 and Owensboro 47-0; Niles All Set for Henderson, Kentucky, Saturday on Lincoln Field

EVANSVILLE, Ind., Oct. 26.—Coach Niles grid machine of Lincoln Lions won their third consecutive football game when they journeyed to St. Louis and defeated Sumner 12-0, and returned home later and ran away with Western high, Owensboro, Ky., 47-0 while twelve hundred fans looked on.

Touchdowns were registered in every quarter to give the "Blue Grass" boys a sound licking. It was sweet revenge for the Lions since the Kentucky team was the only one to beat them last season. In the first downs Lincoln registered 13 to 5 and have so far kept their goal line from being crossed by an opponent.

Before the first quarter was gone, the Lion, offensive flashed three touchdowns across the goal, the second and third found the home team taking it easy satisfying themselves with one touchdown in each period. Then in the final they struck again with fury of a Lion's rushed over two more to bolster up their already wide margin.

Gill, Jordan had scored three touchdowns a piece while Rutter crossed once for scoring honors. Oates did most of the passing for the Lions. Others who shone for Lincoln were Walls, guard; Butler, tackle; Northington, end; and several others. For Owensboro; Moorham, Buckner, Flowers, and Robinson starred.

Lincoln is all set for the invasion of Henderson, Ky., who is expected to be tough opponent with Cheney, a star halfback, in the lineup. The game will be played Saturday afternoon on the Lincoln gridiron.

Lincoln (47) Owensboro (0)
Klabrew L.E. Buckner
Roberts L.T. Landers
Grinter L.G. West

ROBINSON AND JENKINS CROSS TUSKEGEE GOAL TO DEFEAT THE TIGERS 13-0 IN ANNUAL GAME

Wilberforce Returns to Victory Column in Trouncing Cleveland's Grid Machine; 7,000 Witness Clash in Soldiers Field During Showers

(By HOWARD FILMORE, Staff Correspondent)

SOLDIERS FIELD, CHICAGO, Oct. 26.—Intermittent showers failed to dampen the collegiate spirit here in Soldiers Field while a crowd estimated at 7,000 saw the big "Green Wave" of Wilberforce, carrying the hopes of the middle west bowl over the highly touted "Golden Tigers" representing the cream of the southern crop by a score of 13-0.

The annual classic between the two institutions revealed as keen a rivalry as one would want to see in any collegiate grid game. It was a battle from start to finish, the winners scored in the first half to clinch the battle.

ROBINSON, JENKINS SCORE

Ike Robinson's catch of a fluke pass from Junius to Williams, the ball bounding into Robinson's hands and Ike racing 21 yards for a touchdown. Van Jenkins brilliant off tackle gallop of 74 yards to a touchdown, with Jack Hart plunging for the extra point and Tuskegee's valiant scoring effort near the end of the first half in three mighty thrusts for the 1 foot line against a Wilberforce line which would not give were the highlights of the game.

TIGERS PUT UP GAME FIGHT

The score of the game does not indicate the closeness of the battle. Played on a muddy field, with both backfields finding much difficulty in getting under way, Tuskegee deserved much credit for being able to pile up six first downs to Wilberforce's two. The Tigers made three "firsts" almost in a row in one concentrated drive in the first half, but lacked the punch to push it across the goal line when they neared touchdown territory.

Tuskegee fought all the way, however, with Mobley competently directing the offense despite the absence of a wealth of season backs which he had in last year's battle which ended in a scoreless tie. Wilberforce again used to advantage her sensational little quarter-back, Junius, one of the "Forcean" best threats. Junius flashed three times for brilliant zigzag runs of 15 yards or more which brought the fans to their feet.

Van Jenkins, Jack Hart, McGinnis, and Johnson also played great ball for "Force," with Cleveland, Waterford, Knight, the hard-plunging Thompson, and L. Johnson trying with might and main to match their wares with the Ohioans.

One of the most thrilling moments of the day occurred when Tuskegee worked the ball all the way down to the four yard line and

then a "Force" penalty for offside put the pigskin on the 2 yard mark. From that point the Tigers bucked and plunged three successive times but the "Forcean" forward wall would not budge more than a yard and a half and Tuskegee's greatest chance when a glimmering.

With Mobley making a mighty effort to first gain on terra firma and then via the aerial route, the Tigers shot their last bolt in the second period to hang up a score. The Mobley to Smith passing combination netted a couple of nine yard gains, but for the most part the other attempts to use the air went away on account of the slippery ball.

The game was one of the hardest defensive battles ever witnessed, with both lines fighting hard to help their backs get going on the slow field and to break up the opposition's attack before it got started. Both the "Force" and the Tuskegee lines covered themselves with glory by their gallant struggling, but the Wilberforce wall in particular seemed well able to hold the Tuskegee backs whenever they threatened to score.

Wilberforce-Wiley Holds Spotlight

DAYTON, Ohio, Oct. 26.—(ANP) Football teams of Wilberforce university and Wiley college, Texas, two of America's outstanding colored elevens will meet in what may prove to be the national championship game at the University of Dayton stadium, Saturday night, November 3. The Dayton chamber of commerce is sponsoring the event.

For several years Wilberforce and Wiley have risen steadily to the topmost perch in the colored football world. Several times both have claimed national championships, but these claims were never made the stake in a titular game.

Both possess remarkable records. Wilberforce has been beaten once since 1931. Wiley College, playing in the southwestern colored association, has been eight times conference champion since 1921, and in 1928 and 1932 claimed national honors.

MICH. STATE WINS

NEW YORK, Oct. 26.—Jim McCrary led the Spartans of Michigan State to a 29-0 win over Manhattan here. His usual line plunging and defensive work stood out as a marvelous bit of grid performance. Jim scored a touchdown during the fray.

Alcorn Noses Out Cook's M. I. Team

HOLLY SPRINGS, Miss., Oct. 26.—Coach T. D. Cook's M. I. Tigers were nosed out by the Alcorn College Braves here in the opening grid game of their season 6-0. It was one of the most exciting games ever witnessed here in a long time.

Alcorn, noted for its powerful lines, played most of the first half in Tiger territory. In the very first quarter, the strong Alcorn forwards broke through and backed a punt by Hobson, the M. I. halfback, on the Tiger 35-yard strip. On some sensational line plunging by Holloway, the ball was carried to the 5 yard line as the quarter ended. At the beginning of the second quarter, the Tigers held for downs and thereby gained possession of the ball on their own 2 yard stripe. Hobson got off a short punt which Holloway ran back to the Tiger 25 yard line. A series of power plays carried the ball to the Tiger's 2 yard line from where Holloway carried it over right guard for the decisive marker of the game.

Indiana Boys School Is Smothered by Attucks Tigers 45-0; Harding Stars

Both Teams To Meet on Attucks High Gridiron Friday Afternoon in Return Game

PLAINFIELD, Ind., Indiana Boys School—Oct. 26.—Crispus Attucks "Tigers" arrived here in time to see the funeral of Crispus Attucks. The Indiana Boys School had prepared their football dummy placed placed him on a cart and were ready to bury him with a victory over the Indianapolis high school aggregation, but Harding, Mitchell, Holliday, Umphrey, Goodrich all made a different funeral party.

Each of these boys crossed the goal line at least once to help Attucks white wash the Indiana Boys School gridsters 45-0. Speedy running plays, accurate passing, excellent blocking, and tricky plays caught the I.B.S. players off their feet time and time again.

Five Negro members of the I. B. S. team saw action, but their speedy opposition was too much to halt the determined goalward march of the "Fighting Tigers". The Negroes on the I. B. S. team are: White, Strange, Nuckles, McCroskey, Hubbard, and DePriest.

Harding was too much for the locals at the very start when he raced 42 yards to the three yard line, and then plunged over for the initial touchdown. Later on he ran forty-two yards for another touchdown.

Harding to Holliday and Watkins was another weapon that was used to advantage in the passing attack that kept the visitors in possession of the ball the greater part of the game. Coach Alonzo Watford used every man who made the trip against the I. B. S. team.

To Play Return Game
The Indiana Boys School will play a return game here on the Attucks gridiron in the rear of the school next Friday afternoon at 2:30 P. M. After that the scheduled will run as previously published.

DUKE SLATER LOSES

CHICAGO, Oct. 27.—(ANP)—Duke Slater's colored All-Stars lost a thrilling professional football game to the All-Collegians, white, Sunday at Spencer field by a score of 7-6. The All-Stars scored when Fitzhugh Lyons, former University of Indiana star, ran eighty yards for a touchdown.
